

**FOR IMMEDIATE RELEASE**

**EFM has a new General Engineering Manager**

Munich Airport, Germany--May 9, 2005--There has been a personnel change at EFM – Gesellschaft für Enteisen und Flugzeugschleppen am Flughafen München mbH. Andreas Grohmann (41), the general engineering manager for many years, left EFM on April 30, 2005 of his own accord. Gerhard Schuh (56) is his successor; he is a qualified engineer and previously worked for Flughafen München GmbH. Gerhard Schuh is especially in charge of the entire EFM fleet consisting among other vehicles of 23 towing tractors and 24 de-icing vehicles.
