- **Outcome:** A wonderful evening filled with great conversations and shared passion among gin lovers.

## EXCITING KNOWLEDGE

At the start of the pandemic, around 4,000 liters of Airbräu Helles and 1,300 liters of Aviator strong beer were at risk of being discarded. Instead of letting them go to waste, they were skillfully distilled into three exceptional beer brandies, each crafted using a unique method. Join our Master Distiller, René Jacobsen, as he takes you on a journey through the Mountain Hub spirits and shares the story behind these distinctive creations.

## TIMELINE

A truly personal and unique experience! Enjoy the exceptional Mountain Hub beer brandies – whether sipped neat or mixed into a refreshing Gin & Tonic. To complement the flavors, perfectly paired snacks will be served – whether to curb your hunger or elevate your tasting experience.
